

WESTWOOD TELEPHONE DIRECTORY

Two of our residents, Reed and Sandy Campbell, have published our phone directory for the past three years and are doing so again for this year. There is no cost to the LOA or the residents. Every resident of Westwood will receive a copy of the new directory in the mail including the new move-ins during the up coming year.

We realize that there are those of you who do not wish to have your names and phone numbers in this directory. Therefore, no names will be in the directory unless expressly requested to be there. If you have email capabilities, please send an email to campbell3290@sbcglobal.net and put in the subject line "Westwood Directory Yes" to be included in the directory with your name, address and phone number listed in the body of the e-mail and "Westwood Directory No" just list your name and address listed in the body of the e-mail to **not** be included in the directory.

For those who do not have email capabilities, please send your information to Campbell, 32903 Oak Creek Dr. Magnolia, TX 77354 via regular mail.

All Information must be received by March 31, 2008.

They will be using the same list they used in the past year so if you were listed in the directory last year, there is no need to contact them if you wish to remain in the directory.
